Newsletter 18th February 2022

Dear Parents and Carers,

Thank you so much for your support and generosity last week when we 'dressed to express'. We raised an incredible **£95** for the charity that supports children's mental health, The Place2Be.

Wrap Around Care

Last term, a club was made available to provide before and after school care. This is proving to be very successful and as such, we need to ensure that it is properly staffed.

Please ensure that your child is booked into club via the School Money App at least 24 hours in advance.

Each session costs £2.50. Before school club is open at 8.10 am and children should be collected by 4.30pm after school. Please contact the school office, if you need support in accessing your School Money account and we can resend login information.

Year 2 have enjoyed a Scooter Safety Session this week in conjunction with the Warwickshire Road Safety Team. The children really enjoyed learning about how to be safe when using a scooter: wearing a helmet and bright colours when out scooting and they learned about a safety check for their scooter.

E-Safety

Thank you to everyone who has already returned the Acceptable Use and the updated E-Safety letter. Please return them as soon as possible.

Fundraising

We are looking forward to thinking about others during Lent this year. Each class have been discussing which charity they would like to support. They will decide how they want to raise money for their chosen charity which we will share with you after half-term. We are very proud of the way our children think about how we can support those less fortunate and the services that help us in our community.

It is our mission for everyone to flourish and exceed expectation in an inspiring environment where unique, confident children will sparkle.
We are on top of the hill and reaching for the stars.
