

28<sup>th</sup> June 2024

Dear Parents and Carers,

### Summer Fayre

What a fantastic day Saturday was! The weather was on our side and made our Summer Fayre all the more enjoyable. Thank you to everyone who came along to support the school, we hope you enjoyed the event as much as we did. Thank you to our store holders for using their free time to attend the event and to everyone who made such kind donations. Well done to everyone who won the fantastic prizes.

Together, you helped raise over **£1000**, which will be put towards equipment for the children.

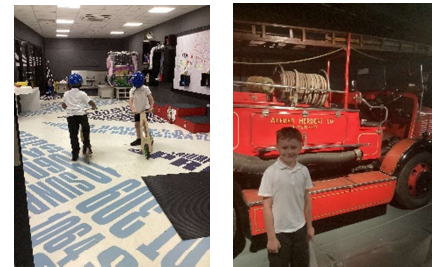

### Induction Evening

Thank you to all parents that attended our Nursery & Reception induction evenings. It was lovely to meet you all and also to see some familiar faces. If you were unable to attend and have a child starting in Early Years in September please contact the school office who will provide you with all the information you need. We do have a few spaces left in Early Years if you or someone you know need a child placement please contact the school on 02476 392318.

### Year 2

Our Year 2 class had the wonderful opportunity to go to Coventry Transport Museum on Wednesday. Thank you to our Year 2 parents/carers that supported the children in attending. The children had a fantastic time, getting to see all types of transport from many eras. This has supported their learning of understanding the world.

### Year 1

On Thursday, Year 1 attended Warwick Castle as a part of their learning of castles. Thank you to parents/carers that helped to make this possible. The children had lots of fun exploring the castle and learning about its history.

Ready Respectful Safe

We work best when we work together

## School Trips

Early years and Key stage 2 have their school trips in the next few weeks. Please ensure all permission slips have been signed and returned to the school office and payments made where required. Should you have any problems please do not hesitate to contact the school office.

## Greenshoots Muddy Boots

Forest School has provided many fun learning activities, especially with the welcome appearance of the sun! During class sessions, children have created sundials and throughout the week, they have monitored their sundials to check they were working properly. Others have made best use of the mud kitchen and made some lovely delicacies including a rather 'tasty' looking strawberry cheesecake!

It is wonderful to see students attending sessions gaining confidence in the forest, working together as a team and supporting one another to make positive things happen.

Don't forget Greenshoots Muddy Boots are offering a free community session on Saturday 29<sup>th</sup> July 10-12pm as well as our Muddy Rangers sessions (7-11 years) from 1-3pm with Claire in the woods! Message the Greenshoots Muddy Boots page if you would like any extra info or to book in!

If you would like to stay updated about sessions, events, and all things forest school, please follow us on Facebook. You can scan this QR code which will take you to our page.

## Merits

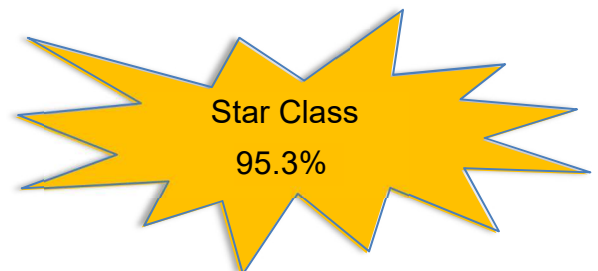

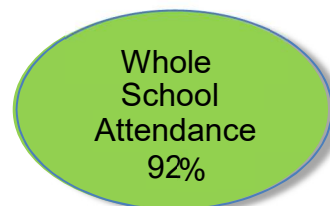

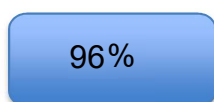

Well done to all those children who have gone over and above.

EYFS	Faith
Year 1	Harry
Year 2	Diego
Year 3	Whole Class
Year 4	Whole Class
Year 5	Esmee
Year 6	Ethan
Headteacher Award	Harlee

## Attendance

This week has seen a dip in our attendance, please remember our target is 96%. Well done to those who have attended every day. Year 4 were our winning class.

Our target is

Ready Respectful Safe

We work best when we work together

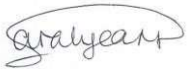

## SunSafe Schools Accreditation

We are pleased to be taking part in the Sun Safe Schools national accreditation programme - the content of which forms part of our duty of care to ensure the health and wellbeing of your child(ren) during school hours. Whilst we recognise that some sun is good for us, Sun Safety is an important health and safety issue.

Earlier in the week, in assembly, the children discussed how to keep themselves safe in the sun. We ask that parents ensure their child(ren) are equipped with a suitable sun hat and sunscreen that are clearly labelled.

Sun hats should be either broad-brimmed (bucket style) or legionnaire to shade the face, neck, ears and cheeks. We recommend that sunscreens have a minimum Sun Protection Factor (SPF) 30, be 'broad-spectrum' (to provide both UVA and UVB protection) and, if labelled with a UVA star rating, carry a minimum of 4 stars.

Yours sincerely,

Mrs Jeans and Staff
