

# How do we ensure that all children have emotional and social support?

**We provide support for pupils to improve their emotional and social development in the following ways:**

Pupils with SEND are involved in the whole school process of electing school council members, children have the opportunity to write their own manifestos and vote on their chosen candidate

Pupils with SEND are also encouraged to be part of a number of after school clubs that promote teamwork/building friendships etc.

Pupils have access to staff who are trained in 'Drawing and Talking therapy' to support emotional wellbeing where necessary

Circle time and assemblies focus on inclusion for all

We have a zero-tolerance approach to bullying

Additional transitional support where needed (eg: where possible, extra visits to secondary schools in final term of Y6)
