

29th September 2023

Dear Parents and Carers,

Thank you to everyone who came to our Macmillan Coffee Morning this morning. We have raised a magnificent **£310.65** which is amazing! It was lovely to have a natter and a nibble and catch up with our friends and community. Your generosity and kindness is what makes Nursery Hill so special.

We are **ready**, **respectful** and **safe** and the children are already showing that they are **ready to learn**, **respectful to others** and they **feel safe in our school**.

A value is a principle that guides our thinking and our behaviour. Our values are built upon the vision and support us in achieving our ambitions. Values are intended to support the personal and social development of every pupil throughout the school.

The whole staff team, families and pupils are involved in promoting values and recognising where others are 'living the values'. The values developed have been selected after consultation as values which are important within the school community and which will be important throughout life.

Respect
Kindness
Perseverance
Tolerance
Co-operation
Positivity
Empathy
Resilience

Merits – Thank you to those children who have gone over and above.

Attendance

Well done Reception for 100% attendance. Please look after SAM today, our attendance dog.

Our target is

Inspire workshop Y1

We would like to invite **Y1** parents to the first Inspire workshop at NHP on **Wednesday 4th October at 9.15am**. Miss Preece will talk to parents about how to access our phonics scheme, Little Wandle, and then we will invite the children to work with you on fun phonic activities.

eSchools App

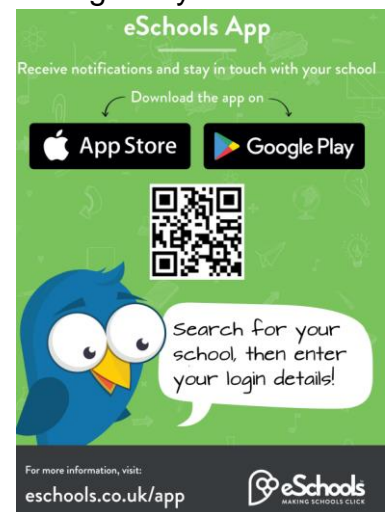

eSchools, who power our website, have developed an app for smart phones which can help you keep up to date with notices and communications from the school as well as being able to monitor your child's attendance and homework on the move. It is the same system for managing parents' evening so some families will have used it.

Before downloading the eSchools app, you will need your own unique username and password. These are distributed by school. If you can remember your password, please login. If you do not have one or have forgotten it, we will send information out next week.

Waterproof coats

As you know, we are developing our outdoor provision. As we use our outdoor space every day, please ensure that the children come to school in waterproof coats and shoes. Unless the weather is very wet or very cold, the children are outside every day and need to be dressed in warm and waterproof clothes as necessary.

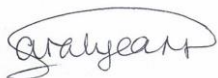

It would lovely if any families are able to support helping clear out paths in the forest on **Saturday 29th September** between **10am** and **1.30pm**. Just a few hours would really help bring our forest school ever closer.

Today, we said goodbye to Miss Scruby as she leaves us to join the NHS. We wish her every success for her new career. We welcome Miss Weatherall who will teach Y2.

We hope you have a lovely weekend.

Yours sincerely,

Mrs Jeans and Staff
