

19th April 2024

Dear Parents and Carers,

Thank you to those families who came to the Spelling workshop yesterday. It was a good turn out and we really value your support especially with such an important skill. The children love working with you.

Merits – These children have been noticed for persevering with the learning and also been respectful and kind. Thank you for going over and above.

EYFS	Faith
Year 1	Forest
Year 2	Finley
Year 3	Alexia
Year 4	Lewis
Year 5	Issac
Year 6	James

Pupil Premium Money and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school. At Nursery Hill Primary School, we get an extra £1,455 for every eligible pupil who is registered for free school meals. This extra money makes a real difference to the quality of education we offer. Please see the accompanying letter for more information or go to <https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals/2> to apply online.

We work best when we work together

Attendance

Well done to Year 6 for the highest attendance. We have seen a super increase in attendance particularly for KS2. Well done Y4 and Y5 who also achieved 96%.

Our target is

96%

Whole School
Attendance
94.71%

Star Class Year 6
97.77 %

Fire Bell

Our unplanned fire drill yesterday at home-time really tested the practice we do in school and we are very proud of our KS2 children who responded sensibly and lined up as expected. Thank you to all the parents who realised what was happening and waited patiently until we had established that it was a false alarm.

Forest School

We were so pleased that children in **Reception, Y1 and Y2** had their first forest school experience this week. It was a day like no other, filled with the laughter, dance and singing all under the canopy of nature's classroom. The sessions were a celebration of friendship, cooperation and resilience. And who could forget about the culinary delights of the forest? Our young chefs showed us just how scrumptious a mud pie can be! Although the weather was dry, it is still cold. Please send your child with outdoor wear which includes wellies or walking boots, waterproof coat, waterproof trousers and spare clothes as there will be occasions where children will get muddy during forest school sessions. Please don't hesitate to contact us if this is not possible as we have a few spares in school if needed. **KS2** will have the opportunity for forest school sessions after half-term.

Our stay & play sessions continue to be a busy every Wednesday. Next week, we dive into the enchanting world of 'Bog Baby,' which promises lots of water play that's sure to splash smiles on everyone's faces. There's still space to join us just send a message to our Facebook page and we'll get back to you! If you would like to stay updated about sessions, events, and all things forest school, please follow us on Facebook.

Thank you to everyone who has downloaded the **eSchools app**. Once logged in, the home screen will display links to view calendar events, ongoing or outstanding homework, book an appointment for parents evening, view student attendance, view the school website and the school contact details. You can see more functions at the bottom; view notifications sent by the school via the bell icon where you can view direct emails sent by the school and change your settings. Please ask the office if you need a login.

Yours sincerely,

Mrs Jeans and Staff
